## LOOTED IRAQI ANTIQUITIES

## H.R. 2009

The Iraq Cultural Heritage Act, H.R. 2009, is a concrete measure to provide for the recovery, restitution, and protection of the cultural heritage of Iraq.

H.R. 2009 stops the flow of looted Iraqi antiquities and cultural material into the U.S. by imposing import restrictions. It also empowers the President to respond quickly to emergency situations in the future. Here's how you can help.

Read the full text at <http://thomas.loc.gov>. Urge your Representative to be a co-sponsor of H.R. 2009 at <http://www.house.gov/writerep/>. And ask everyone you know to do the same.

The Iraqis may lack a legitimate government to protect their cultural heritage right now. We don't.
